

Dallas Social Toastmasters Letter from the President

“Understanding comes through communication, and through understanding we find the way to peace.”

**-- Ralph C. Smedley
Director of YMCA and founder of Toastmasters International**

Dear Guest,

Thank you for attending tonight's meeting! For many of us, just getting the courage to attend a Toastmasters meeting and meet new people for the very first time is a challenge! If this is your first visit to a Toastmasters club, this is your very first step in self-improvement in the areas of interpersonal communication, public speaking, and leadership.

Here are highlights to some of the main benefits of membership in Dallas Social Toastmasters:

- The use of a full-sized stage with lighting
- Audio recordings of your speeches are usually available (pending our volunteer's schedule)
- Use of A/V outlets to practice presentations with audio/visual aides
- Mentors to help you increase your skills in speaking and leadership
- Ability to participate in District events including additional training, contests, and conferences
- A relaxed and enjoyable environment for your personal growth

After tonight's meeting, you will be added to our guest list so that you can remain informed about our club and any special changes to our weekly meetings or locations. For more specific details on our meetings, Toastmasters in general, or to obtain some of our public tips on increasing your skills in speaking and leadership, please feel free to visit our web site at: www.dallasocialtoastmasters.com or our Facebook page at: <https://www.facebook.com/dallasingletoastmasters>.
