

The Distinguished Club Program

Every successful journey is composed of a series of important steps. We want EVERY Club in the District to experience success.

Set a goal to become a Distinguished Club – take the steps necessary to reach that goal – and **Step Up to the Next Level**.

Use the DCP goals shown on the reverse to help your club achieve.

1. Identify by name each Toastmaster in your club who will commit to achieving one or more of the goals shown on the reverse.
2. Have a membership building plan - and use it.
3. Attend Club Officer training.
